

Mobility Aides Training Webinar

HHSC is planning a webinar to clarify and provide information on mobility aides in Texas Medicaid managed care programs. To make the webinar as useful as possible, we are asking MCOs to submit questions on mobility aid policies in advance. Please send your questions to Kate Layman at Katherine.layman@hhsc.state.tx.us by September 28. While questions may be shared during the webinar, the identity of the MCO will not be shared. If you have any questions please contact Kate Layman using the email address above or by telephone at 512-462-6202.
